Features & Benefits

- **Moderated starch racing Cubes.** For horses in full work that can be over-reactive to higher cereal feeds
- **Balance of energy sources.** Alternative sources, such as soya oil and fermentable 'super-fibres'
- **Helpful for fussy feeders with limited appetites** when dietary energy can be a limiting factor in their performance
- **BMC™ (Buffered Mineral Complex).** A natural mineral source with research proven benefits for gastric health and bone development.
- **Vistacell Live Yeast.** Increased nutrient digestibility.
